Sree Lakshmi School – Midday Meals,  
Thrikkeppatta

## 1. Introduction

The school children and staff of Sree Lakshmi school in Thrikkeppatta, Wayanad were the facing hardship of not having lunch at school. This meant that the children would go hungry or they would have to bring in simple food from home. As some of the children come from impoverished background their nutritional requirements would not be met and hence their performance at school would be diminished. SresthaBharath got involved in providing free midday meals at the school itself for a year.

## 2. Aim

To financially support the tribal school to give 47 children and 8 staff a good wholesome meal at lunch time.
